r - Figure revised for the Department of Homeland Security's (DHS) Total March Payroll. The original released total did not match the sum of the detail.

Note: Data users who create their own estimates using these data should cite the U.S. Census Bureau as the source of the original data only. The data in this table are based on information from public records and contain no confidential data. Although the data in this table come from a census of governmental units and are not subject to sampling error, the census results do contain nonsampling error. Additional information on nonsampling error, response rates, and definitions may be found within the survey methodology and technical documentation.
